Willing to relocate to: Peoria, AZ - Phoenix, AZ

Authorized to work in the US for any employer

## Work Experience

---

### Operations Manager

DOGTOPIA - Phoenix, AZ

August 2017 to Present

### Restaurant General Manager

Chuck E. Cheese - Phoenix, AZ

July 2016 to August 2017

### Restaurant General Manager

Taco Bell - Phoenix, AZ

January 2016 to July 2016

#### Responsibilities

Complete profit accountability including labor, sales, training, scheduling, developing budgets, food safety standards, hiring and coaching, above and beyond customer service, and holding myself and others accountable.

#### Accomplishments

Increased customer satisfaction by 10% over the year, which has resulted in 4% increase in sales over the last quarter. Decreased costs by ensuring proper training and inventory control on a daily basis. Increased bench strength with cross training and developing team members into future leaders.

#### Skills Used

Teaching and training skills, ability to mentor and listen to team members, as well as other managers to do more of a root cause analysis. Years of Management experience learning from every different type of leader as given me the ability to determine how to best handle each individual person in each situation leading to amazing results.

### Regional Training and Development Manager

99 Cent Only Stores - Peoria, AZ

November 2014 to December 2015

#### Responsibilities

Work with Divisional, Regional, Market, and Store level contacts to ensure proper training and execution of programs implemented.

Train Market and Store teams on new processes and procedures

Oversee training and development, along with execution of proper procedures for 53 stores in the region.

## Accomplishments

I worked at 7 different stores, training and developing members of management to ensure success on all levels of operation.

Training Multiple managers on conducting a store yearly inventory.

Holding meetings with other Store and Market managers, training on policies and procedures as well as rolling out new programs throughout the stores.

Effectively Operating stores with sales of 6 million or more a year. Increasing sales based on new company directives and associate productivity in each location.

Promoting 6 associates to new manager positions and developing them to lead their own stores.

Changing the perception of 99 Cent only stores to a clean, safe environment for customers and associates.

Working closely with local businesses to increase customer traffic through special promotions for the company.
